## The Silver Coast and the Shrine of Fátima - Full day tour 73,00 €

Travel NW along the magnificent Silver Coastline one of the nicest areas of Portugal. Wild and full of traditions related with the Atlantic Ocean and fishing villages, the Silver coast houses truly hidden secrets which will be revealed to visitors during the course of the day.

Depart Lisbon towards one of these well kept secrets – the medieval walled town of Óbidos. Nestled inside a 12<sup>th</sup> century fortress, with its white washed well preserved houses, the town of Óbidos has kept its traditions, monuments and well kept cobblestone streets, allowing visitors to travel to the past, exploring not just the town and its walled fortification, but also its small churches, small shops and original bars. You may end the visit with a well deserved famous liquor “Ginginha” served on a chocolate made cup.

From Óbidos, you will continue along the coast in direction of Nazaré. Still an active fishing village, famous in the past for the tradition of having its fishing boats pulled out of the ocean to the beach, by a pair of bulls helped by the fishermen wives and children.

Lunch will be served en route, at a local restaurant.

After lunch, a stop will be made at the famous Fátima’s pilgrimage site. Well known for its Roman Catholic Shrine and Basilica, Fátima is recognized by the Vatican as a site where the Virgin was seen by three little shepherds. This apparition is celebrated on the 13<sup>th</sup> day of May and October every year ever since.
